MEMORANDUM FOR: Members of Ad Hoc Requirements Committee

SUBJECT: Utilization Criteria for TALENT ELINT

REFERENCE: TCS-584-56 ARC-M-29

1. The Minutes of the last Ad Hoc Requirements Committee meeting stated that the material for TALENT ELINT would not be distributed in a new form due to the fact that there was no change in the paper from the recommendation submitted by the special sub-committee.

2. However, it has been called to my attention that this has created some confusion. Accordingly, I am issuing a copy of the criteria paper in the form as approved by the Director of Central Intelligence Agency on 26 December 1956. In transmitting this document to the Chairman of the Utilization Advisory Board, he stated as follows:

"These criteria are approved for guidance of the Utilization Advisory Board, of which you are the Chairman, in regard to utilization of ELINT. However, it may well be that experience, in the future, will suggest the revision of some of these criteria, and my approval is not meant to prevent changes which you and the Board recommend as a result of such experience."
